

Linking Institutional Policies to Student Success (LIPSS-Pilot): Fast Facts #4

“Students Don’t Do Optional” – So say a number of colleagues recently (including Jillian Kinzie at the 2013 Annual Conference on the First-Year Experience http://cpr.iub.edu/uploads/Kinzie_FYE_Keynote2013.pdf).

But, data from the LIPSS project suggest that “Institutions Do Optional,” at least when it comes to these five research-supported policies/practices.
